Antonio Blanco Tejero

# Versus

sax quartet (SATB)

Comissione per il Quartetto di Sassofoni ***Syrinx,*** 2009

per sassofono baritono

non è scritta in suoni reali (suona una 8ª + 6ªM sotto)

durata approssimativa: 8'

**SEGNI**

lunga

breve (aggiungere 1" circa)

respirazione obbligata ( 2" circa)

 brevissima

opzionale (pezzo pensato per l'uso della respirazione circolare o fiato continuo)

 rumori di chiavi aleatorio (usare tutte le chiavi possibili) veloce in accelerando e crescendo, oppure

 in ritardando e decrescendo

cluster senza suono chiudendo tutte le chiavi bruscamente

aspirare con la bocca con decisione

slap con risonanza sulla altezza indicata

slap senza risonanza

trillo velocissimo,  rabbioso ed eterogeneo, fine del trillo. Tutti i trilli sono di 2ªm salvo indicazione contraria

tremolo veloce (meno regolare possibile)

vibrato di labbra, oscillando tra ¼ di tono

indica variazioni d'intensità, microvariazioni dell'altezza e frequenza del vibrato

frullato di gola, di lingua, con GROWL ( frullato + canto della nota indicata)

staccatissimo

glissando d'armonici discendente dal più acuto possibile e sulla posizione indicata come base

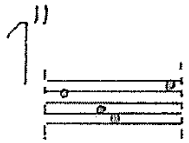
 multi fonico indefinito dalla posizione indicata come base

separare bruscamente la bocca dal bocchino lasciando scappare il soffio

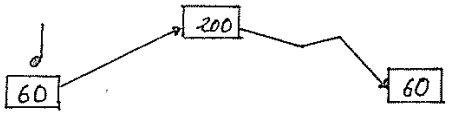
suono molto sibilante, praticamente soffio

percorso dal suono al soffio e viceversa sulle note indicate, oppure

 decrescere fino al silenzio



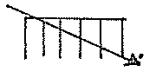
battuta della durata di un secondo (cercare di suonare le note alla distanza scritta)



variazione approssimativa del tempo e irregolare

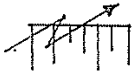
il più presto possibile

accelerando



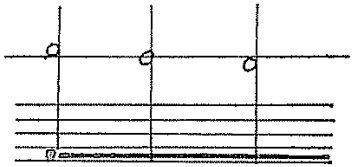
ritardando

irregolare



accelerando irregolare

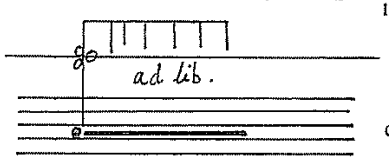
ripetere ciclicamente la nota o gruppo di note nel modo indicato e nella durata scritta



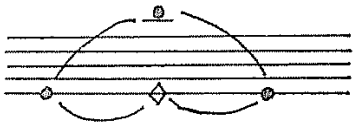
cambiamento del timbro sulla medesima nota senza interrompere il suono, aggiungendo altre chiavi

1. sulla riga, cercare una intonazione un poco crescente (un ¼ di tono)
2. nella riga (posizione normale)
3. sotto la riga, cercare una intonazione un poco calante (un ¼ di tono)

in alternativa, preoccuparsi soltanto di cercare tre "colori" diversi



cambiamento del timbro ad libitum usando tutte le diteggiature possibili



cambiamento impercettibile del registro usando il "portavoce"

Dedicato al Quartetto di Sassofoni *Syrinx*

**Antonio Blanco Tejero**
